programmi reception integrabili in melaminico
modular reception programs in melamine

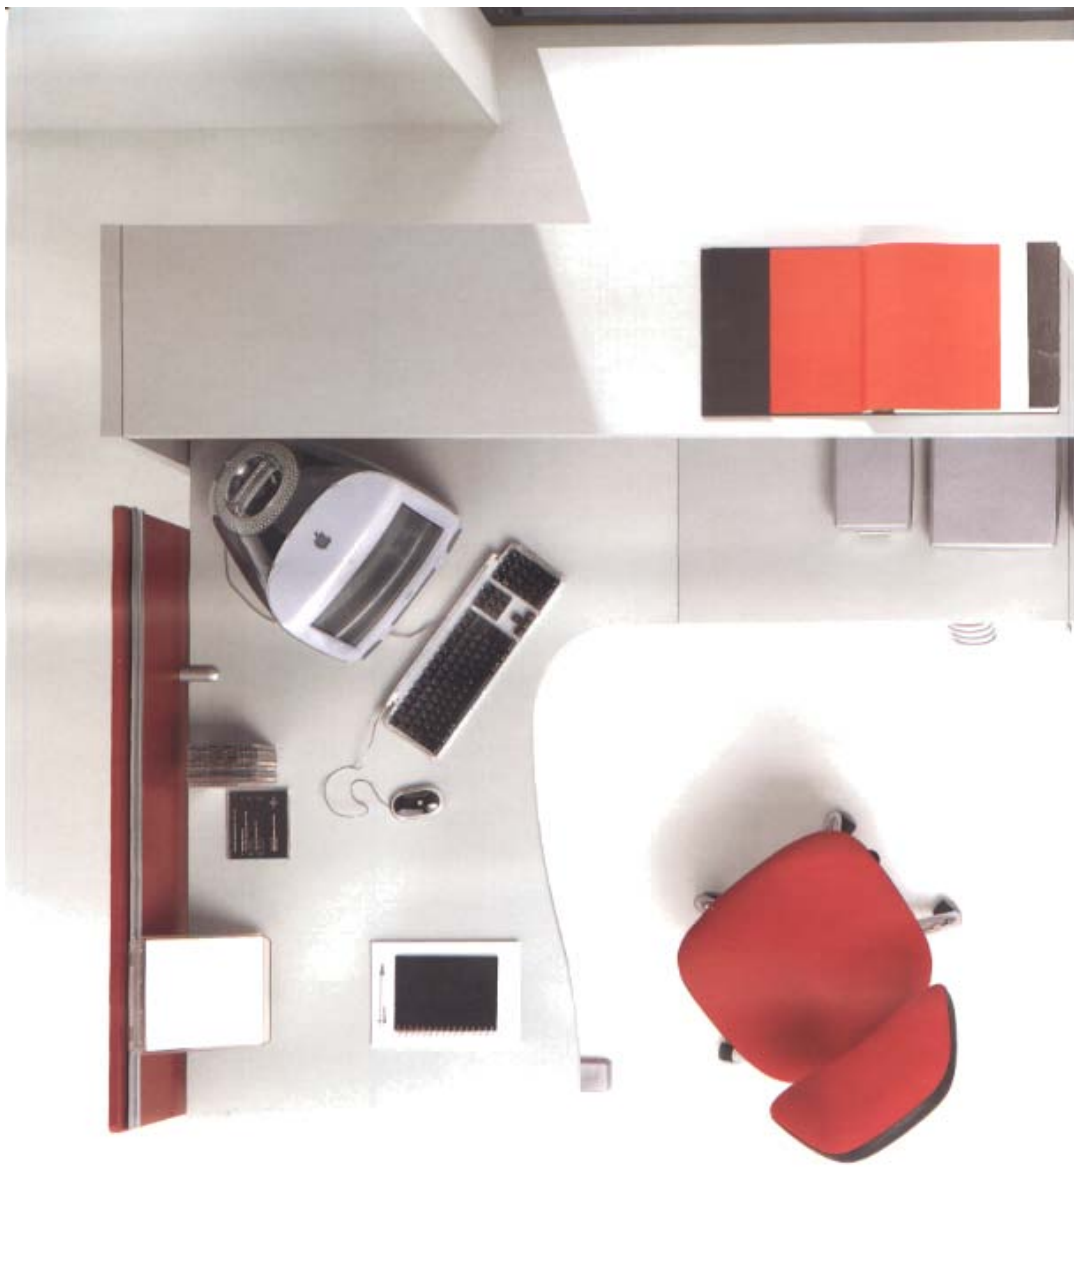

Oggi realizziamo RECEPTION. Un programma
semplice e funzionale con quattro finiture
diverse: noce, faggio, ciliegio e grigio.

RECEPTION is the new program that offers
versatile and efficient solution for office interiors
with four finishes: walnut, beech, cherry and grey.

Tutti ergonomici, offrono infinite soluzioni di modularità:
 i piani scrivania si compongono soddisfacendo
 ogni esigenza e adattandosi bene ad ogni spazio.

All variants feature ergonomic design and modular solutions
 with desk tops that can be arranged to suit various work
 needs and which best exploit the space available.

Più dinamico e giovane l'ufficio creato da reception grigio e faggio; diventa più elegante arredato da reception noce e ciliegio.

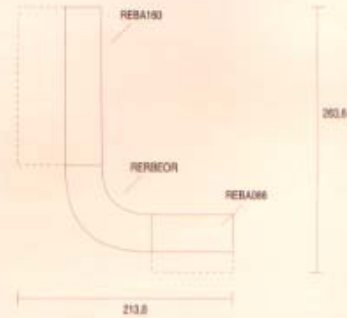

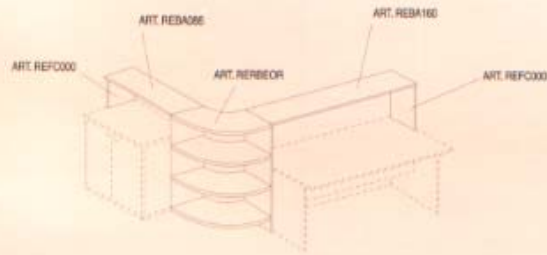

Reception gray or beech offers a younger, more dynamic style; Reception walnut or cherry creates a more elegant distinctive ambience.
